professionals
of the sea**

HEADQUARTERS

- > REDONDELA (Pontevedra)
Head office with net place
and 14.500 m2 warehouse
- > A CORUÑA
Logistics center with 3,000
m2 of warehouse dedicated
to small tackle

Grupo Eurored is a group of companies with more than 45 years of experience dedicated to the design and manufacture of fishing gear, as well as installations and integral aquaculture services.

We manufacture pelagic, semi-pelagic, bottom trawls, outrigger nets, etc., always at the cutting edge and developed hand in hand with our customers.

In addition, we supply everything you need for fishing operations: MORGERE trawl doors, COTESI nets, ropes, stays, ORCA cable, flotation, CROSBY GROUP marine hardware (CROSBY, TRAWLEX, GUNNEBO), longline material, etc.

Everything that the fishing industry needs for the development of its activity.
